ATTENTION SUBSCRIBERS!

NEW Delivery/Replacement Policy! (Effective with September 2025 issue)

Dear Friends,
Due to unpredictable, inconsistent and sometimes extremely poor service by the U.S. Postal Service, as well as continuous postal increases, we are forced to change our delivery policy.

Beginning with your September 2025 issue, please give the Post Office a few extra days – until the 5th day of the issue month to deliver your magazine (in this case it would be waiting until Sept. 5, 2025, to contact us requesting a replacement). We know this is not ideal, but we are spending almost $4.00 an issue to remail a copy we've already mailed to you (and are losing too much money). We hope that by giving them a few extra days, your magazine will be delivered and we can continue to keep this magazine in circulation. If your magazine has not arrived in your mail by the **5th** of the month, please let us know by calling or emailing.

By phone: 1-888-899-9992

By Email: service@channelguidemag.com

If you don't have access to phone or email, please ask a family member or friend, as that will ensure the quickest way to get you a replacement. If you have to write, our address is:

Channel Guide Magazine, 4701 W Schroeder Dr., Ste 105; Brown Deer, WI 53223-1497

(Letters postmarked before the **5th**, will not be eligible for a replacement copy.)

All subscribers are eligible for a FREE Digital copy of the magazine delivered to your email address by the 21st of the month prior to the issue date. Please sign up at channelguidemag.com/all-access.

SPECIALS

Emmy Awards Ceremony A Highlight Of Fall 2025 Specials

The start of a new fall season is most known for the premieres of new series and the returns of familiar favorites. That is certainly true this year, but there are also a number of one-shot specials, including high-profile awards ceremonies, to look forward to over the next couple of months.

77th Emmy Awards

CBS

Sunday, Sept. 14, Live Coast to Coast

The centerpiece special this fall is the annual Emmy Awards ceremony, which honors television's (and streaming's) best. Comedian Nate Bargatze hosts this year's awards, whose field is led by Apple TV+'s *Severance* with 27 nominations. Just behind is HBO's *The Penguin*, with 24 nominations, followed by *The White Lotus* on HBO, and *The Studio* on Apple TV+, with 23 each. HBO and HBO Max lead among all streamers and networks with 142 total nominations, well ahead of Netflix, with 120, and Apple TV+, with 81.

Some notable first-time nominees have entered the field of various acting categories this year, including big names like Javier Bardem (Netflix's *Monsters: The Lyle and Erik Menendez Story*), Kristen Bell (Netflix's *Nobody Wants This*), Colin Farrell (*The Penguin*), Harrison Ford (Apple TV+'s *Shrinking*) and Scott Glenn (*The White Lotus*).

Nominees for Outstanding Comedy Series are *Abbott Elementary* (ABC), *The Bear* (Hulu), *Hacks* (HBO Max), *Nobody Wants This*, *Only Murders in the Building* (Hulu), *Shrinking*, *The Studio* (Apple TV+) and *What We Do in the Shadows* (FX). Outstanding Drama Series nominees are *Andor* (Disney+), *The Diplomat* (Netflix), *The Last of Us* (HBO), *Paradise* (Hulu), *The Pitt* (HBO Max), *Severance*, *Slow Horses* (Apple TV+) and *The White Lotus*.

A Grammy Salute To Earth, Wind & Fire Live: The 21st Night Of September

Sunday, Sept. 21

"Do you remember … the 21st night of September?" It's always worth remembering Earth, Wind & Fire's classic song "September" at any time, but it — and the band — especially come to mind each Sept. 21 thanks to that iconic opening line. So, it is fitting that the Grammy organization would hold its latest salute to a legendary artist, in this case the titular R&B group, on that night. Based on previous salutes it should be a lot of fun, even if performances and other details had not been announced at presstime.

CBS & MTV

2025 Video Music Awards

Sunday, Sept. 7

Long a staple on MTV alone, this year the VMAs are airing live on CBS for the first time in a three-hour ceremony that will also be simulcast on the show's OG network, which is a sister service within the CBS/Paramount family. An hourlong preshow will air across all the networks in that family. The race for most ever VMA wins continues between Beyoncé and Taylor Swift, both nominated for Artist of the Year.

Notable Specials Later This Fall

- **"Wicked" Event Special** — Thursday, Nov. 6 on NBC
- **The 59th Annual CMA Awards** — Wednesday, Nov. 19 on ABC
- **The Macy's Thanksgiving Day Parade & The National Dog Show** — Thursday, Nov. 27 on NBC

COMEDY

Molly Kearney, Gigi Zumbado, Tony Cavalero, Alex Tarrant, Harriet Dyer and Tim Meadows

DMV CBS

- **Premieres:** Oct. 13
- **Airs:** Mondays at 8:30pm
- **Who's In It?** Harriet Dyer, Tim Meadows, Tony Cavalero, Molly Kearney, Gigi Zumbado, Alex Tarrant
- **What's It All About?** Like death, taxes and jury duty, a trip to the Department of Motor Vehicles service center is a sad inevitability. It's the bane of bureaucracy, the reddest of red tape, the height of tedium and an excellent source of sardonic humor. Based on Katherine Heiny's short story "Chicken-Flavored and Lemon-Scented," this single-camera workplace comedy centers on a Los Angeles-area DMV center and the underpaid, underappreciated employees who hold dominion over that little plastic card that allows you to exist. Goodhearted Colette (Harriet Dyer) is a driving examiner who genuinely cares for people and is therefore in the wrong job. Gregg (Tim Meadows) is a former English teacher who finds his DMV job relaxing by comparison. Ceci (Gigi Zumbado), the lavishly fingernailed photographer/laminator, enjoys the "constant rush of superiority." What Vic (Tony Cavalero) lacks in office decorum, he makes up for in abuse of authority. There's also the great unwashed, such as the elderly driver with diminished capacities, the guy whose van is also his home, the potential serial killer and the entitled jamoke who's above the rules. If nothing else, the show serves as a reminder to be nice to DMV employees. You might have to be there once every eight years. They have to be there Monday through Friday from 8am-5pm. — *Ryan A. Berenz*

Tim Robinson

HBO The Chair Company

- **Premieres:** October
- **Who's In It?** Tim Robinson, Lake Bell, Sophia Lillis, Will Price, Joseph Tudisco
- **What's It All About?** *I Think You Should Leave*'s Tim Robinson writes, executive produces and stars in this comedy that also features the creative talents of longtime collaborator Zach Kanin (*Detroiters*) and Oscar winner Adam McKay (*The Big Short*). Robinson plays William Ronald Trosper, who goes on an investigative journey into a wide-ranging conspiracy after an embarrassing incident at work. Look for Lou Diamond Phillips in a recurring role.

All times ET/PT unless noted.

COMEDY

coming midseason!

Best Medicine

Inspired by the long-running British comedy *Doc Martin*, this hourlong series follows Dr. Martin Best (Josh Charles), a Boston surgeon who moves to the quaint East Coast fishing village where he spent summers as a child. Despite being a top-notch physician, his blunt bedside manner often clashes with the healthcare needs of the small town's quirky residents. Abigail Spencer, Josh Segarra and Annie Potts also star.

The Fall And Rise Of Reggie Dinkins

From *30 Rock* creators Tina Fey and Robert Carlock comes this comedy series about disgraced former football player Reggie Dinkins (Tracy Morgan) and his mission to rehabilitate his image. Daniel Radcliffe plays a filmmaker who moves into Dinkins' mansion to film an immersive documentary about him. Erika Alexander, Bobby Moynihan, Precious Way and Jalyn Hall also star.

Jenn Lyon

NBC Stumble

This mockumentary-style comedy is set in the outrageously competitive and cutthroat world of junior college cheer. Jenn Lyon stars as a coach who is seeking a record-breaking 15th championship. Kristin Chenoweth recurs as a longtime assistant coach who is stuck in her late '80s heyday. Taran Killam, Ryan Pinkston and Jarrett Austin Brown also star.

Chris Perfetti, William Stanford Davis, Janelle James, Quinta Brunson, Tyler James Williams, Sheryl Lee Ralph and Lisa Ann Walter

ABC Abbott Elementary

returning faves!

Returns: Wed., Oct. 1 at 8:30pm

Where We Left Off: In the Season 4 finale, in lieu of any major twist or cliffhanger, the teachers of the poorly funded Philadelphia school bid viewers adieu with a simple field trip to the Please Touch Museum, where kids created and performed a play about them. Additionally, Gregory (Tyler James Williams) and Janine's (Quinta Brunson) budding relationship moved forward when he introduced her to his father during the trip.

What To Expect: Will Gregory and Janine's slow-burn work romance change the dynamics of the school? ABC has not released any details about the new season quite yet, but, as always with this hit workplace comedy, pretty much anything can happen! What we do know is that it's sure to be just as funny as ever.

FOX American Dad!

Returns: Midseason

Where We Left Off: The animated comedy about CIA agent Stan Smith (voice of Seth MacFarlane) and his family finished Season 19 and its 11-year run of original episodes on TBS.

What To Expect: *American Dad!* is back in FOX's Animation Domination stable, where it premiered in 2005 and ran until its move to TBS in 2014. FOX has renewed it through the 2028-29 TV season. Upcoming guest voices include Ted Danson, Mary Steenburgen, Joe Mantegna, Chris Pine, Ming-Na Wen, RuPaul, Wayne Newton, Jonathan Frakes and Kyle MacLachlan.

CBS The Neighborhood

Cedric the Entertainer

Returns: Mon., Oct. 13 at 8pm

Where We Left Off: Marty (Marcel Spears) and Malcolm (Sheaun McKinney) moved to a new house in Venice Beach, California, so Malcolm could pursue his writing career.

What To Expect: The sitcom following the Butlers and the Johnsons will come to an end with Season 8. "We are excited that we get to tell our story and wrap it up, and we want to make sure our fans are pleased and they love it," star Cedric the Entertainer tells TV Insider. "We will have a lot of fun throughout Season 8 and hopefully lead you to a finale that feels worthy." A planned spinoff that would have followed Marty and Malcolm has been canceled.

All times ET/PT unless noted.

Task

HBO

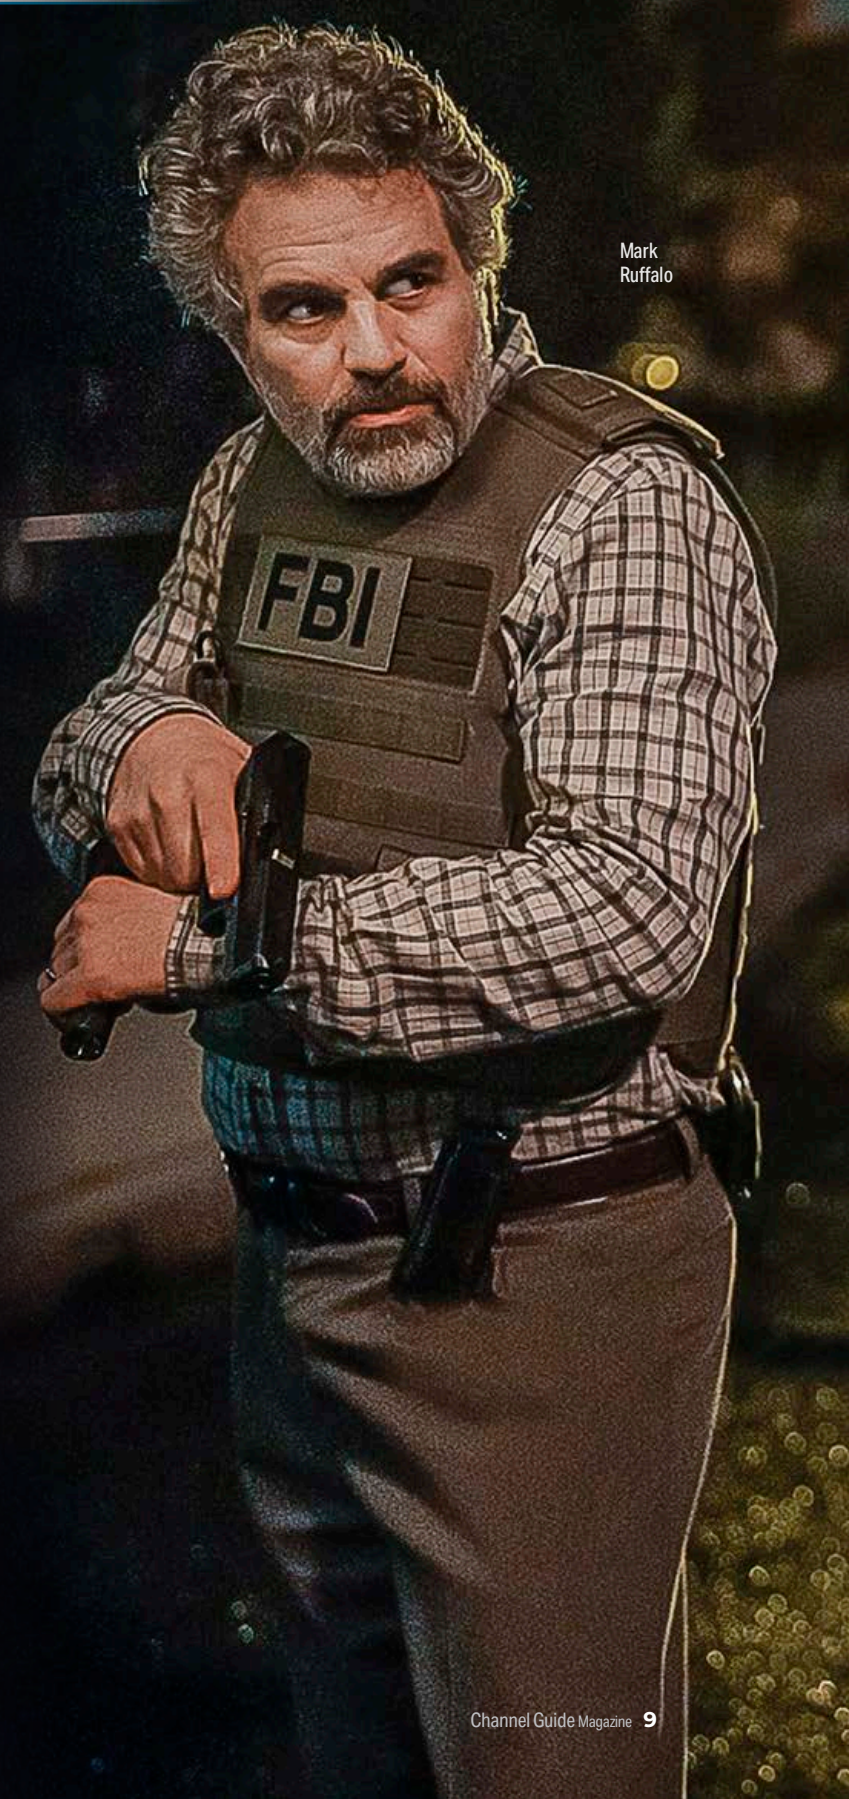

- **Premieres:** Sept. 7
- **Airs:** Sundays at 9pm
- **Who's In It?** Mark Ruffalo, Tom Pelphrey
- **What's It All About?** Brad Ingelsby (writer of *Mare of Easttown*) returns to HBO and Philadelphia and takes us on a thrilling, complicated, emotionally rich journey following FBI agent Tom Brandis (Mark Ruffalo) and his team as they try to put an end to a string of violent robberies led by an unsuspecting family man (Tom Pelphrey) trying to provide for his family.

Ruffalo, who comes from a working-class upbringing, could empathize with his character and was attracted by how many parts of him were at war with himself. Tom struggles with God and faith in a world that gives no simple answers and only offers complex questions. He struggles with fatherhood and a broken family, along with alcoholism and mental health. Despite everything stacked against him, he believes in forgiveness, grace and that there is good in the human race, but it's not easy. We're desperately hoping he can find his way.

"There was one gesture that made me kind of fall in love with Tom," Ruffalo shares. "It was all his struggle, his sense of humor, his darkness, but when he swirls his big vodka drink with his finger or plunges his face in ice in the morning to deal with his hangover [which Ruffalo loved shooting] or drives his old reliable car, which is falling apart, these are the things that make him feel so real to me. I come from working-class people. As successful as I am, that is really how I understand the world."

When we first meet Tom, it's clear he's endured something tragic within his family. "We see him carrying a difficult weight, but it's invisible to us and because we see him carrying it, we want to know what it is," Ruffalo explains. "That is revealed beautifully and shockingly over time."

While Ingelsby's writing gives us a high-octane cop and robber story, it's also going to gut us. "It has all the action and heroism we want and need today but he will crack open your heart along the way and remind you about what is beautiful about being a human being: our love for our families, our innate decency, empathy, and the power of forgiveness, generosity and love. We are living through cruel times and it's hard to remember what truly good people sound like and act like. You will remember, and it will give you strength and comfort." — *Barb Oates*

Ethan Hawke and Ryan Kiera Armstrong

The Lowdown FX

■ **Premieres:** Sept. 23
■ **Airs:** Tuesdays at 9pm
■ **Who's In It?** Ethan Hawke, Kyle MacLachlan, Jeanne Tripplehorn, Ryan Kiera Armstrong, Keith David
■ **What's It All About?** There's nothing worse than a white man who cares. They're the saddest of the bunch. That's the thought of a few Tulsa folks when referring to Lee Raybon, a self-described "truthstorian."

Lee's an unconventional, and mostly reckless, citizen journalist.

"I read stuff. I research stuff. I drive around and I find stuff. Then — I write about stuff," he shares to one of the many people he ticks off along the way. "Some people care, some people don't. I'm chronically unemployed. Always broke. But let's just say, I am obsessed with the truth."

That truth-seeking obsession leads to plenty of trouble.

Ethan Hawke plays the mesmerizing oddball Lee and is an absolute tour de force in the role, which is easily among Hawke's best work, and that's with a resumé that includes unforgettable performances in *Dead Poets Society*, *Boyhood*, *Gattaca*, *First Reformed* and the *Before* trilogy. The series was written and created by *Reservation Dogs*' Sterlin Harjo, and Hawke also joins Harjo as an executive producer.

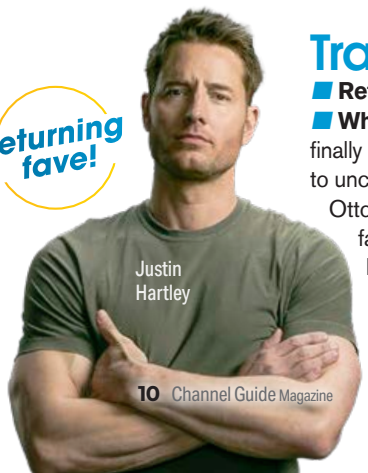

Complicating Lee's insatiable obsession with the truth is the fact that he has a 14-year-old daughter (Ryan Kiera Armstrong) who he doesn't spend enough time with, an ex (Kaniehtiio Horn) who still sees some good in him, and an equally unusual employee at the bookstore he owns who only wants to know when she'll ever get paid. And then there's this mysterious stranger named Marty (Keith David), who seems to appear whenever Lee least expects it.

All of that leads to some playful banter and chaos.

Oh, and the last person Lee wrote about has turned up dead, and his really-not-grieving widow Betty Jo (*Big Love*'s Jeanne Tripplehorn) is more interested in her brother-in-law (Kyle MacLachlan), a gubernatorial candidate.

Buckle up for this bloody, wild, eight-episode, must-see noir, as Lee promises to "set off a flare, kick up the rocks and see what the roaches do at night." — *Barb Oates*

CBS

■ **Returns:** Sun., Oct. 19 at 8pm
■ **Where We Left Off:** Colter Shaw (Justin Hartley) finally returned to his childhood home of Echo Ridge to uncover a shocking truth about his father's death: Otto Waldron (Alex Fernandez), a friend of Colter's father, confessed to pushing him off a cliff at the behest of Colter's mother (Wendy Crewson).
■ **What To Expect:** Obviously, the new information about his father's death left Colter reeling, and the implications of this knowledge will have consequences going forward. Additionally, without Velma (Abby McEnany) and Teddi (Robin Weigert), who are both not returning, the show is missing about half of its regular cast, so there's a lot of room for new characters — as well as more time and space for attorney/legal counsel Reenie (Fiona Rene). After the Season 2 finale, showrunner Elwood Reid did tell us he was still putting together the pieces of the puzzle, the "biggest" of which was "figuring out the Reenie of it all, what Reenie's world looks like, and how the team fits around that."

All times ET/PT unless noted.

AMC

Anne Rice's Talamasca: The Secret Order

- **Premieres:** Oct. 26
- **Airs:** Sundays at 9pm
- **Who's In It?** Nicholas Denton, William Fichtner, Celine Buckens, Maisie Richardson-Sellers, Jason Schwartzman
- **What's It All About?** "We watch, and we are always there." The renowned slogan for the Talamasca can also apply to fans of Anne Rice. And fans are feasting this year with another addition to the Immortal Universe lineup. Rice's story of a supernatural CIA known as the Talamasca — which was previously introduced on both *Interview With the Vampire* and *Mayfair Witches* — is an espionage thriller about the organization charged with tracking and containing the witches, vampires and other creatures scattered around the globe. The series shares the story of Doris (Celine Buckens), an old soul who lives with a coven of witches on a houseboat, while Jason Schwartzman (who's billed as a guest star) portrays Burton, a rakish vampire leading a cloistered life in a luxurious Upper West Side penthouse. *Interview With the Vampire*'s Eric Bogosian, who plays journalist Daniel Molloy, makes an appearance on *Talamasca*, tying the two series together and creating a shared universe.

Maigret

PBS

- **Premieres:** Oct. 5
- **Airs:** Sundays at 9pm
- **Who's In It?** Benjamin Wainwright, Stefanie Martini, Blake Harrison, Reda Elazouar
- **What's It All About?** Based on Belgian author Georges Simenon's bestselling 20th century novels featuring streetwise Parisian Chief Inspector Jules Maigret, this new crime drama series will be set in modern-day Paris and will follow the unconventional young detective as he investigates crimes across the city and heads the elite police unit known as La Crim.

IT: Welcome To Derry

HBO

- **Premieres:** October
- **Who's In It?** Taylour Paige, Jovan Adepo, Chris Chalk, James Remar, Stephen Rider, Madeleine Stowe, Rudy Mancuso, Bill Skarsgård
- **What's It All About?** This chilling prequel story to Stephen King's *IT* universe takes place in the 1960s with its buried secrets and missing people. DRAMA

Donnie Wahlberg

spinoff!

CBS

Boston Blue

- **Premieres:** Oct. 17
- **Airs:** Fridays at 10pm
- **Who's In It?** Donnie Wahlberg, Sonequa Martin-Green, Mika Amonsen, Maggie Lawson, Marcus Scribner, Gloria Reuben, Ernie Hudson
- **What's It All About?** In this new drama, Donnie Wahlberg reprises his role as NYPD Detective Danny Reagan as he takes a position with the Boston P.D. Once in Boston, he is paired with Detective Lena Silver (Sonequa Martin-Green from *Star Trek: Discovery*), the eldest daughter of a prominent law enforcement family.

Lena Silver, like Danny Reagan, comes from a family with deep ties to law enforcement. Her mother, Mae Silver (Gloria Reuben), is Boston's district attorney and the matriarch of a blended family of law enforcement professionals. Think of her as the Frank Reagan (Tom Selleck).

Ernie Hudson plays the Silver family patriarch, the Rev. Peters, a renowned pastor of a historic Baptist church in Boston and Mae's father/Lena's grandfather. Think of him as the Henry Reagan (Len Cariou) of this bunch. *Black-ish* alum Marcus Scribner plays Lena's younger brother, Jonah Silver, a rookie cop looking to prove himself as the youngest member of the family.

The Reagan family, however, is going to look a bit different, as one of Danny's sons has been recast. Mika Amonsen has joined the cast and will play Sean Reagan (originally this role was played by Andrew Terraciano).

The Reagans' move to Boston is actually centered around Sean, who committed himself to pursuing his family's legacy but wanted to do so on his own terms, which meant joining a department outside of his hometown. Danny's decision to stay in Boston gives this father-son duo a chance to reconnect on a deeper level.

Could we have two family dinners to join this season — the Reagans and the Silvers? Whatever, we're in! — *Kelli Boyle and Meredith Jacobs*

- **Returns:** Thurs., Oct. 9 at 10pm
- **Where We Left Off:** Season 21 of the long-running medical drama ended with a bang — literally. Just as Dr. Atticus "Link" Lincoln (Chris Carmack) was about to perform surgery on a patient's leg, the hospital was rocked by an explosion. As we don't know where exactly in the building it hit (or what happened exactly), no character is safe — and this just after his wedding with Dr. Jo Wilson (Camilla Luddington), who is pregnant with twins! Talk about horrible timing.
- **What To Expect:** First and foremost, the cause of the explosion — and any casualties from it — will have to be revealed. Then, we may have to say our goodbyes to one or more of our favorite characters from Grey Sloan Memorial.

ABC 9-1-1: Nashville

Premieres: Oct. 9
Airs: Thursdays at 9pm
Who's In It? Chris O'Donnell, Jessica Capshaw, LeAnn Rimes, Kimberly Williams-Paisley
What's It All About? A spinoff of *9-1-1*, this Ryan Murphy-produced procedural will focus on a group of first responders — firefighters, paramedics and 911 operators — in Nashville, Tennessee. Alongside Chris O'Donnell, who plays a fire captain and rodeo rider who runs Nashville's busiest fire station with his son, and Jessica Capshaw, who plays his wife, Kimberly Williams-Paisley stars as a 911 operator who is fairly new to the job.

"She is recovering from a recent devastating loss and passionately devoted to her work," Williams-Paisley tells us. "I have so much admiration for call-center operators. They have to remain calm under pressure, and the health and safety of so many people depend on their work." As for how things are going behind the scenes, she adds: "There is a lot happening at once. We often have multiple units shooting at a time, and lots of stunts and special effects. Many of my scenes have been with Jessica Capshaw, who is an absolute delight. I also love working in my hometown of Nashville and shooting so close to my house. The heat [is challenging]. It can zap energy quickly. Sunscreen, hats, bug spray and electrolytes are a must!" — *Zhanna Slor*

ABC 9-1-1

returning fave!

Returns: Thurs., Oct. 9 at 8pm
Where We Left Off: The Season 8 finale saw a mix of endings and beginnings; following Bobby's (Peter Krause) tragic death, which left both viewers and his fellow first responders in shock, Athena (Angela Bassett) put her and Bobby's dream house up for sale, Hen (Aisha Hinds) and Karen (Tracie Thoms) officially adopted Mara (Askyler Bell), Maddie (Jennifer Love Hewitt) gave birth to her baby (and named it after Bobby), and Buck (Oliver Stark) began looking at apartments to rent on his own. Although they were all still grieving the loss, it seemed like everyone was attempting to move on.
What To Expect: The beloved fire captain has left some big shoes to fill in his absence. Who will take on the role? We're not sure, but all the major players are returning, so it could be anyone — however, fans are speculating that Chimney (Kenneth Choi) is being set up for this promotion.

NBC Law & Order

Returns: Thurs., Sept. 25 at 8pm
Where We Left Off: Season 24 ended with a shocking twist: Handsome real estate agent Carter Mills (Jordan M. Cox), who was arrested and tried for the murder of ADA Samantha Maroun's (Odelya Halevi) sister and then acquitted, was leaving the courthouse — a free man — when he was shot and killed. The episode concluded with Price (Hugh Dancy) looking visibly shaken and confronting Maroun, whose silence suggested she might have played a role.
What To Expect: Say goodbye to Detective Jalen Shaw, as Mehcad Brooks has officially exited the series after three seasons.

NBC Law & Order: SVU

Returns: Thurs., Sept. 25 at 9pm
Where We Left Off: Detective Benson (Mariska Hargitay) and crew caught a serial killer targeting psychiatrists, and undercover detective Joe Velasco (Octavio Pisano) was promoted to detective second grade.
What To Expect: Some casting shake-ups are forthcoming, including a surprising one: Pisano, who played the just-promoted Velasco for the last four seasons, will not be returning for Season 27, except for a guest appearance in the premiere episode — perhaps as a final sendoff? Juliana Aidén Martinez (who joined last season as Detective Kate Silva) will also not be returning. As far as we know, all other series regulars are set to return.

Morena Baccarin

spinoff!

Sheriff Country CBS

- **Premieres:** Oct. 17 at 9pm
- **Airs:** Fridays at 8pm
- **Who's In It?** Morena Baccarin, W. Earl Brown, Christopher Gorham, Matt Lauria
- **What's It All About?** This spinoff of *Fire Country*, also set in Edgewater, focuses on Sheriff Mickey Fox, who is the aunt of troublemaker/firefighter Bode Leone (Max Thieriot). "We are a parallel story set in the same location at the same time," W. Earl Brown tells us. "There will be a lot of crossover between our two shows."

Brown adds: "I personally think of it as kind of a neo-Western. Morena [Baccarin] plays Mickey Fox, who's the female sheriff of the county. I'm her outlaw father who has been an illegal marijuana grower (along with a few other illicit activities). He was an absentee father. He went away to prison when she was young. She didn't realize what her father was involved in until he got arrested. He's back in her life because she had her daughter when she was a senior in high school, and her daughter is now in her early 20s and she's having a lot of problems and Mickey needs help. So, in all of that is where most of the family drama lies."

- **Where We Left Off:** A raging wildfire *and* a shooting really heightened the tension of the Season 3 cliffhanger finale, during which Vince, Sharon and Walter got trapped in a collapsing care facility. With all three lives hanging in the balance, we are at the edge of our seats!
- **What To Expect:** The conclusion to the cliffhanger finale is first and foremost in our thoughts; with the official announcement that Billy Burke, who played battalion chief Vince Leone, will not be returning, we can only guess they're not all coming out of the fire alive. Additionally, original cast member Stephanie Arcila, who played firefighter and EMT Gabriela Perez, has also departed the show. With Morena Baccarin leaving as well to play Sheriff Mickey Fox in the spinoff *Sheriff Country*, this might mean we will see some new faces this season.

- **Where We Left Off:** After "Matty" Matlock (Kathy Bates) spent the entire first season secretly investigating who at the Jacobson Moore law firm might be responsible for hiding some very important documents that would have taken the opioids that killed her daughter off the market, we finally learned the culprit: Julian Markston (Jason Ritter), who was acting on behalf of his father (Beau Bridges).
- **What To Expect:** What will the newest senior partner, Olympia Lawrence (Skye P. Marshall), do with this information? That Julian is her ex-husband, and his dad is her boss, certainly doesn't make things easier. Plus, Billy (David Del Rio) is about to become a father, and Matty's grandson Alfie (Aaron Harris) just secretly made contact with his biological father. Will he want a relationship with his son? And will Matty let him have one? She certainly did not seem happy with this development in the finale.

"ONE CHICAGO" RETURNS!

Jessy Schram and Steven Weber

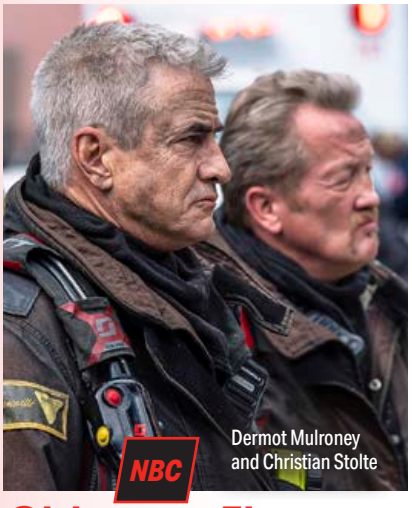

Chicago Med

Returns: Wed., Oct. 1 at 8pm

What To Expect: After that jaw-dropping cliffhanger that revealed that Dr. Hannah Asher (Jessy Schram) is actually pregnant and it appears Dr. Dean Archer (Steven Weber) is the father, we had to ask executive producer and showrunner Allen MacDonald to describe in five words these two's journey this season. His answer: "complicated." And he repeated it five times.

MacDonald warned that this is going to be an emotional season, rating it as an 8 (out of 10) on the Kleenex-needed scale. "If we are judging the season as a whole, I'd say an 8. But what I won't say is if they're sad tears or happy tears. You'll just have to watch to answer that part." He also gave a huge tease for the season premiere in terms of medical procedures when we asked about Dr. Lenox's (Sarah Ramos) GSS prion disease — "it will definitely blow you away," then added that it will "terrify you even more."

As for Sadie and Ripley (Holly Curran and Luke Mitchell) after that knock-on-the-door finale? "Ripley avoided (reaching out) because you can't assume a bond forged in a heightened traumatic situation will make a great relationship. … [Sadie was the same] but finally said, 'I felt something real and I can't just leave that on the table.' So she showed up at Ripley's door … I think going into Season 11, Ripley's really glad she did."

Dermot Mulroney and Christian Stolte

Chicago Fire

Returns: Wed., Oct. 1 at 9pm

What To Expect: "I can say there's a huge shake-up in the very first episode that portends the big drama to come in Season 14," says *Chicago Fire* showrunner Andrea Newman.

And that's coming on the heels of the on- and offscreen drama that ended Season 13! Kidd (Miranda Rae Mayo) and Severide (Taylor Kinney) learned they have a baby on the way; Pascal (Dermot Mulroney) was proved innocent of trying to murder his wife's killer; and Daniel Kyri, who plays Darren Ritter, and Jake Lockett, who plays Sam Carver, will no longer be series regulars, while Michael Bradway, who plays Jack Damon, Severide's younger half brother, is departing because of a scheduling conflict with another project.

We got some more teasers from the showrunner:

Brandon Larracuente has joined the series in a regular role. Can you say anything about his character? The charming Sal Vasquez is the new addition to Firehouse 51, and, like Severide, this character is rich with family history in the first responder world, much of it buried. … Vasquez will prove a real challenge to Kidd, his new lieutenant, as well as to Novak [Jocelyn Hudon], as she tries to get to know this seemingly unknowable guy.

What about the characters played by Daniel Kyri, Jake Lockett and Michael Bradway? Have we seen the last of them? All of these great characters/actors are still in our world, and we definitely plan to see them again.

Shawn Hatosy and Jason Beghe

Chicago P.D.

Returns: Wed., Oct. 1 at 10pm

What To Expect: There was some resolution to the season after the death of Deputy Chief Reid (Shawn Hatosy) — plus the long-awaited wedding of Kim Burgess (Marina Squerciati) and Adam Ruzek (Patrick John Flueger) — but questions remain regarding Voight's (Jason Beghe) involvement with Reid's death. We talked to showrunner Gwen Sigan about what we can expect in the new season.

What does Reid's death mean for the show and its characters going forward? The first episode of this season kicks us off a month after the events of our Season 12 finale. As audiences will see, a lot has changed for the Intelligence Unit. Voight is still navigating the fallout of his choices, and our team members are caught in the middle.

What else can you tease about Season 13? It's going to kick off strong — we've got new characters to meet, action-packed cases and some deep dives into our characters' psychologies. This season we want to play with the theme of "roots." There's still so much to explore about our characters. What has made them the police officers and people they are today?

What casting changes can you share (new faces/not returning)? We have some new faces this season — a new cop will be joining our unit, coming to us from undercover work with the ATF, played by Arienne Mandi. She's confident, sure of her policing and a great breath of fresh air. We've also got Joel Murray joining as the new head of IAD.

- **Premieres:** Oct. 19
- **Airs:** Sundays at 9pm
- **Who's In It?** Keith Urban
- **What's It All About?** Twelve contestants compete to be country legend Keith Urban's opening act in the new reality series focusing on touring and produced by Blake Shelton and Taylor Sheridan. Instead of a traditional competition format, the show follows the musicians' journeys via short, interconnected documentaries, giving viewers a behind-the-scenes look at the music industry. "I spent a lot of my underage life playing in some seedy pubs, sometimes just for the bartender," Urban said of the concept. "So, I love the idea of throwing artists into a real-world environment to find out if they are artists. Paying your dues sucks, but there are things in this business that can't be taught, like how to put together a set list, whether to extend or cut a song during your performance or how to work the crowd. For me, touring has always been my first love. It's where the rubber meets the road. But it's the only road to take if you want to be a performer."

Crazy, stressful fun! Fans of *The Floor* and *Squid Game* (of course, without blood and nobody dies), this one is for you. *The Masked Singer*'s Ken Jeong and sportscaster Erin Andrews host this new game show where 100 contestants go head-to-head in a range of oddball games. Based on a Belgian series, games can be as wacky as knocking a balloon off its perch by flicking a band at it, or making a paper airplane and flying it as far as you can. - **Airs:** Tuesdays at 8pm
- **What's It All About?** This is a raw, unfiltered and deeply personal look at the Chrisley family's very public fall from grace and road to redemption. It begins with their legal battle (in August 2019, Todd and Julie were indicted and later found guilty on multiple counts, including wire fraud and tax evasion) and follows their road to pardon (they began their prison sentences in January 2023), their release from prison (they were released May 28, 2025) and eventually their return home.

CBS Survivor

- **Returns:** Wed., Sept. 24 at 8pm
- **What To Expect:** It's Season 49, baby, and there's no signs of slowing down! Two players from this new season will also be part of next year's *Survivor 50*, an all-star anniversary season, with an expanded 24 players. But back to this new season: We asked host and executive producer Jeff Probst what he could tease. "There was something unique this season and that was the heat!" he tells. "The temperature in Fiji during filming was unusually high and so was the humidity. It gassed the players and it gassed me. I found myself out of breath and sweating through my shirt in ways that surprised me. That kind of heat can really impact every aspect of *Survivor*, including challenges. Now it's not just *who* should step up, but who has the energy *to* step up? You will definitely see it play out this season. You can't hide fatigue. ... It shows up in how you move, how you think, and ultimately impacts how you vote.

Mel Owens

ABC The Golden Bachelor

- **Returns:** Sept. 24 at 8pm
- **Airs:** Wednesdays at 9pm
- **What To Expect:** Since Joan Vassos bid farewell to 23 men throughout her journey on last season's *The Golden Bachelorette*, there have been months of speculation about which rejected suitor could become the *Golden Bachelor* lead. ABC went a totally different direction and picked Mel Owens, 66, a former NFL linebacker, now lawyer, who is divorced and has two children. Owens, however, already has some backlash going into the season for comments he made on an MGoBlue podcast, where he stated he was looking for someone between the ages of 45 and 60. "If they're 60 or over, I'm cutting them," he said to a producer. "They gotta be fit because I'm staying in shape. And I told [producers], 'Try to stay away from the artificial hips and the wigs, that kind of stuff.'" Can't fault him for his harsh honesty, but he sure has ticked off some in the Bachelor Nation universe.

The Amazing Race

CBS

- **Returns:** Thurs., Sept. 25 at 9pm
- **Airs:** Wednesdays at 9:30pm
- **What To Expect:** Season 38 promises a fun new twist: At least one member of each team will be a former *Big Brother* houseguest. Thirteen teams of two will race around Europe, starting in Hoorn, Netherlands, and stopping in the Czech Republic, Croatia, Romania and Italy, to win the final prize.

Cote de Pablo and Michael Weatherly

spinoff!

ORIGINAL SERIES NCIS: Tony & Ziva

Available: Thursdays Beginning Sept. 4

Who's In It? Michael Weatherly, Cote de Pablo

What's It All About? In the Budapest-set *NCIS* spinoff, beloved agents Tony DiNozzo and former Mossad operative Ziva David are back, and behind bars is just one of the dangerous places they find themselves in the long-hoped-for series that features two twisty mysteries. One centers on the crime case that includes that prison pit stop. The other, and maybe more puzzling for longtime fans, is why the pair, who have more chemistry than a million periodic tables, have split up. Answers will come. As they race around Europe, flashbacks reveal what happened in their relationship, beginning with their joyful reunion after Tony learned Ziva was alive. He'd left NCIS earlier to raise their daughter Tali (Isla Gie). The in-the-past love scenes are a bit steamier on Paramount+ than when the show was on broadcast network CBS, and the heat builds again on this new mission. "It's a romance in an action saga," de Pablo says.

They first met in 2005, during the third season of *NCIS*, and said goodbye eight years later in a famous tarmac scene. Weatherly says, "That was the last scene we shot together. There's a lot going on. Cote was basically having a lot of life changes at that time when we were working together. There was a lot of vulnerability and there was a lot of emotion." Since Tony's departure, Ziva's been seen alive on *NCIS*, when she reappeared to save her boss, Mark Harmon's Gibbs, but the rest of her story has remained a mystery. These two have quite a past to unpack. — *Kate Hahn*

What To Expect: In Season 3, as Dwight's (Sylvester Stallone) empire expands, so do his enemies — and the risks to his crew. Sylvester Stallone

Mayor of Kingstown

Available: Oct. 26

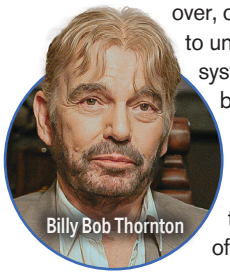

What To Expect: The pressure was on Mike (Jeremy Renner) to end the drug war that ensued in Season 3 — but things got complicated when a familiar face from his past threatened to undermine the mayor's attempts to keep the peace and the season ended with several significant deaths. In Season 4, ongoing chaos and uncertainty will likely continue to grow in Kingstown.

Jeremy Renner

Landman

Available: Nov. 16

What To Expect: The Taylor Sheridan drama set in the West Texas oil rig business returns for a second season following the Season 1 finale death of Monty (Jon Hamm) — an event likely to have drastic consequences in the coming episodes. With Monty out of the picture, will Tommy (Billy Bob Thornton) be expected to take over, or will a new boss threaten to unbalance the entire system? More violence is all but expected, but hopefully Angela (Ali Larter) can take the drama down a notch and relax a bit now that she and Tommy are officially back together.

What's It All About? Award-winning special effects artist Greg Nicotero (*The Walking Dead*, the *Creepshow* series) is an executive producer of this horror-based competition series. It blends the intensity of a scary movie with the pressure of a survival game as contestants are thrust into an immersive horror experience and are confronted with their fears in various scenarios.

Nicotero describes *Guts & Glory*'s marriage of an unscripted competition show with a genre narrative as like "if *Survivor* and *The Blair Witch Project* had a baby. It's one of the most creative and organic things I've ever done, creating FX that have to happen live in real time and capturing the honest reactions … all the while fighting to see who the winner will be."
