ORIGINAL DOCUMENTARY

'Twas the Fight Before Christmas
Available Nov. 26
This quirky Christmas tale about freedoms, with a message about differences and tolerance at its heart, follows the story of a north Idaho neighborhood turned upside down by one man's obsession with bringing holiday cheer to all through the biggest community Christmas event America has ever seen. Christmas-loving lawyer Jeremy Morris' plan hits a snag when the home owners' association informs him that the event violates the rules of the neighborhood. A contentious fight over the festivities erupts and things snowball out of control. As the situation escalates, the film pieces together the polarized perspectives and asks the question: Who wins when different rights and interests collide?

STREAMING EXCLUSIVE

A Charlie Brown Christmas
Available Now
This iconic, Emmy- and Peabody Award-winning longtime TV favorite from 1965 is the first, and probably the most beloved, holiday special featuring Charles Schulz's *Peanuts* gang. Accompanied by a classic jazz score from Vince Guaraldi, Charlie Brown (voice of Peter Robbins), tired of the commercialism surrounding Christmas that he sees at every turn, tries to find out what the holiday is really about. All *Peanuts* holiday specials, including this one, are always available to stream year-round on Apple TV+. *A Charlie Brown Christmas* can also be seen Sunday, Dec. 19, on PBS and PBS Kids.

Welcome to Earth

Available Dec. 8

Will Smith hosts this six-part series from National Geographic. Described as being "visceral" and a "truly sensory adventure," *Welcome to Earth* follows Smith as he is guided by National Geographic explorers to different corners of the world to get up close and personal with the weirdest, most unusual, dangerous and thrilling spectacles on Earth.

Each episode exposes the mysterious inner workings of our planet as related to a different theme: sound, smell, speed, color, swarm and pattern. From the plains of Africa to the deserted islands of the Pacific to the depths of the Atlantic, apprentice explorer Smith probes into hidden worlds that reveal Earth's most mysterious workings. As his remarkable guides take him to our globe's weirdest and most mind-bending locations, he learns that although we may think every inch has been mapped, there are still incredible discoveries to be made, and how the tiniest details have enormous consequences for this place we call home.

The Book of Boba Fett

Available Dec. 29

One of the most beloved and mysterious figures in the *Star Wars* galaxy, Boba Fett (Temuera Morrison), gets his story told in this new series. The legendary bounty hunter resurfaced in Season 2 of *The Mandalorian*, and the season finale offered a peek into Fett's future. Fett will take over Jabba the Hutt's criminal empire on the desert world of Tatooine, but he intends to do things differently. "Jabba ruled with fear. I intend to rule with respect," Fett says in the series trailer. He'll have to convince Jabba's former allies and rivals that he means business. Fortunately, he has an able associate in mercenary Fennec Shand (Ming-Na Wen). Morrison hinted that the series will reveal some of Fett's backstory, so fans might finally get the canonized explanation for how he escaped the Sarlacc from *Return of the Jedi*.
