

HOW TO CONTACT A NETWORK

The best way to reach a network these days is online via their "Contact Us" page (look at the bottom of their website for a link) and/or through the network's social media channels like Facebook and X (formerly Twitter). Just as a reminder, email addresses contain the @ in the address, for example: general@network.com. Most networks DO NOT respond to letters via mail anymore, as a lot of work is now remote. Hope this helps.
